

THE ANCIENT AND HONORABLE ORDER OF E CLAMPUS VITUS®

**BILLY HOLCOMB CHAPTER 1069**

# **GOFFS – A LOOK BACK IN TIME**

**May 1 - 4, 2025**

By proclamation of Noble Grand Humbug Jeremy “Miterbox” Langley, the Billy Holcomb Chapter will make the arduous trek to the Town of Goffs to celebrate this most historic site. While gathered, homage will be paid to this living representation of the life and times of the area in our earlier days.

As we are congregated in our camp just north of the Goff’s Schoolhouse, we shall enjoy the traditional fellowship and entertainment a Holcomb Clamper has become accustomed to. One will find themselves dining on only the finest of cuisine prepared and served at the direction of your most capable Clamp Chef Michael “Hawaiian Punch” Poe. One could expect 5 hearty meals for our most infamous cookshack.

Additionally, you will have an opportunity to tour Goffs Schoolhouse and all its wonderments. For those brothers who arrive on Thursday, you may elect to participate on a 4x4 (Highway Vehicles Only) trek visiting some local sites. On Friday, you may take some time to witness the operation of some olden times mining equipment including a Stamp Mill.

Of course we will usher in the next class of importunable and poor blind candidates who may wish to join our order. They will be ushered into our chapter, should they pass the tests, in the true and gentlemanly way that Holcomb is known for. Bring your PBC’s in to entertain us and provide the merriment we all so desire.

Finally, we will once again, be erecting not one, but two monuments dedicating and recognizing history of the most significant kind. We will dedicate this double erection on Sunday Morning at 9:30am. Get in your Gold Dust to Cookie, and secure your place for this one of a kind, big beautiful event!

Don’t forget to order a shirt for your PBC.

All Hawkers welcome.
